

## Short Term Public Notice under Rule 51.333(a)

November 17, 2009

RE: Network Change Notification (NCN2009-02)

ACS of Fairbanks, Inc. provides this Short Term Public Notice under Rule 51.333(a).

**This network change has been scheduled for December 2, 2009.**

<b>Location (s)</b>	ACS of Fairbanks, Inc. ("ACS-F") Central Office Terminal at Globe and Remote Terminal at Bentley Trust area in Fairbanks, Alaska.
<b>Type of Change</b>	ACS-F will install a new fiber fed CALIX carrier in the area known as the Bentley Trust Area. area
<b>Scope of Work</b>	ACS is adding new remote switching equipment. The Bentley Trust area will be rerouted from the Globe central office and placed in-service in the new equipment. The new equipment is state of the art electronics that will upgrade and enhance the current service offerings in this.
<b>Impact</b>	Interconnecting carriers will continue to have access to Unbundled Network Element Loops ("UNEs") until this project is complete. On or after December 2, 2009, CLECs will no longer have access to UNEs but will continue to have the ability to provide service to affected retail customers through resale of ACS dial tone. There is currently a single CLEC circuit that is affected by this change.
<b>Downtime</b>	None
<b>Attachments</b>	Attached map of the area impacted by this change.
<b>Cut Date</b>	Network Change is Effective December 2, 2009
<b>Carrier Compliance Date</b>	December 1, 2009
